RE: Partner with Us: 100 Blessing Baskets for Detroit Moms

Dear [Name],

This Mother's Day, Empowerment Path Foundation is assembling 100 blessing baskets for mothers in Detroit shelters and transitional housing. These are women rebuilding their lives, many while raising children on their own. A simple gift basket filled with self care items, hygiene essentials, and a heartfelt note can remind them that their community sees them and believes in them.

We are reaching out to invite [Company Name] to be part of this effort.

Here's what we're doing:

On May 2, 2026, volunteers will gather at The Locker Room in Detroit to assemble 100 personalized blessing baskets. On May 9, just in time for Mother's Day weekend, we will deliver them to mothers at COTS, Sara's House, and Alternatives for Girls.

How you can help:

We are seeking sponsors to help us reach our $5,000 goal. Your contribution directly supports basket supplies, gift cards, and volunteer coordination. Every dollar goes to the families we serve.

Sponsorship benefits include recognition on our flyers, social media, and at the event itself. We would love to explore a partnership that aligns with your community investment goals.

Would you be open to a quick call this week to discuss how [Company Name] can be part of this? I am happy to share more about our work and the families we serve.

Thank you for considering this opportunity to make Mother's Day meaningful for 100 Detroit moms.

With gratitude,

Tina
