RE: Feed Our Volunteers: Mother's Day Basket Assembly on May 2

Dear [Name],

On May 2, Empowerment Path Foundation is hosting a volunteer assembly day to prepare 100 blessing baskets for Detroit moms in shelters. We expect 10 to 15 volunteers working from 11am to 3pm, and we are looking for a food sponsor to keep our team energized.

What we need:

Lunch for our volunteers. This could be pizza, sandwiches, a catered spread, or whatever works best for [Company Name]. We are flexible and grateful for any support.

What you get:

Recognition as our official food sponsor on social media, event signage, and in our thank you communications. We will also share photos of volunteers enjoying the meal you provided.

This is a wonderful opportunity to support a community event while feeding the people who are making it happen.

Would [Company Name] be interested in sponsoring food for our assembly day? I would love to discuss the details with you.

Thank you for considering this request.

Warmly,

Tina
