FOR IMMEDIATE RELEASE

Empowerment Path Foundation Launches Mother's Day Blessing Basket Initiative to Support Single Mothers Across Detroit and Metro Detroit

Detroit, MI — April 2, 2026

This Mother's Day, Empowerment Path Foundation is calling on the community to come together in support of single mothers through its Mother's Day Blessing Basket Initiative, a heartfelt effort designed to uplift, honor, and provide essential care items to mothers in need.

The initiative will provide **100 baskets for 100 moms** — thoughtfully curated baskets filled with self-care items, essentials, and uplifting gifts for mothers participating in local programs across Detroit and Metro Detroit. Confirmed partner organizations include Peggy's Place, CASS Community Social Services/Fox Family Shelter, and Alternatives for Girls, all of which serve women and families navigating housing instability and life transitions.

Community members are invited to **"Sponsor a Mom"** for $100, which fully funds one blessing basket. Donations are being accepted now through April 25, 2026, with additional contributions welcomed in person during the basket assembly event. All donations are tax-deductible as allowed by law through our fiscal sponsor, Bringing Back the Block.

"We believe every mother deserves to feel seen, appreciated, and supported, especially those navigating life's challenges on their own," said Tina N. Bowden, Founder of Empowerment Path Foundation. "This initiative is about more than gifts. It is about restoring dignity, spreading love, and reminding these women that their community stands with them."
